I already have a hotel key

Dear guest,
If you leave the property and do not return until after closing time (23h30 on weekdays and 00h30 Fridays and Saturdays), you will not be able to return to your room via the reception desk. This can be done via another route.

The pictures below show you the way step by step.

Superior room

To the left of the main entrance to the reception and wellness, you will see a large black iron gate (next to the bicycle parking).

On the right side of this is a small black gate where there is a "no entry" sign hanging, with a scanner.

Here you scan your hotel key to open the gate.

You then walk to the right following the road to the courtyard, from where you can then walk back to your room.

The building of the Superior rooms is located on the court.

Deluxe room

Scan your hotel key here.

The door opens and you can go immediately to your right to your room.

Enjoy your stay!
